

RS240PG-633WN

Product Data (nominal values)

		RS240PG- 633WN
Strand Treatment	-	Silane
Roving Tex	[Tex]	2340
Loss on Ignition	[%]	1.10
Solubility in Acetone	[%]	15
Moisture Content	[%]	Less than0.1
Alkali Content	[%]	Less than0.8
Package Height	[mm]	260
Package Diameter	[mm]	270
Package Weight	[kg]	18.0

This technical documentation is an evaluation result offered for inside evaluation in your company, and it is only an example of the measurement to the last, and we are not things guaranteeing equal to the purpose of your company without being concerned with clear statement or a suggestion.

In addition, we are not things taking responsibility even if it is what kind of kind about the damage to be caused by the use of this technical documentation, the handling or safekeeping.
